# 25 Best Romantic Weekend Getaways for Couples

January 26, 2023

Courtesy of Le Barthelemy

## St. Barts

A quick escape to the Caribbean is often enough to fend off some of the worst of the winter doldrums, especially when you're headed to a locale as sexy as St. Barts. The glamorous island in the French West Indies is known not only for its elegant hotels but its many peaceful white-sand beaches and romantic watering holes. We recommend a stay at [Le Barthélemy Hotel & Spa](#), a boutique oceanfront property that can arrange romantic excursions like a sunset cruise on a private yacht, custom couples massages in partnership with swank beauty line La Mer, and oversized suites complete with private plunge pools that call for a skinny dip.
