If you're going to travel to a five-star island like St. Barts—teeming with superyachts, celebrities, and high-end designer shopping—you better come with an appetite, too. Rightfully so, the food in St. Barts is just as rich with French sophistication as its overseas collective of France—but with an appropriate nod to its Caribbean location.

While it's hard to whittle down a list of the best restaurants in St. Barts, the following options should be on your shortlist during your visit.

Bon appetit!

Amis

Price: \$\$\$\$

Best for: Fine dining, romantic dates, special occasions

The vibe: Secluded and high-end; serving upscale seafood and French cuisine with breathtaking views to behold

The rundown: Located within the luxurious [Le Barthélemy Hotel & Spa](#), Amis is a fine-dining establishment that specializes in fresh seafood and French cuisine.

The restaurant is situated on a hilltop and boasts stunning views of the Caribbean Sea. The dim lighting sets the tone for a romantic dinner, but the friendly, attentive staff and open-air environment keep things refreshingly laid-back. The menu features a variety of seafood dishes, such as lobster risotto and grilled mahi-mahi, as well as classic French dishes like beef tartare and foie gras. The wine list is extensive, with a wide range of options to pair with your meal. Sit on the terrace and enjoy the expansive views of the Caribbean Sea at sunset as you dine.
