St. Barth is a gorgeous destination in the Caribbean, known for its white sand beaches, low-lying reefs, and luxury boutiques. And if you're looking for a place to stay on the island, Le Barth Villa rentals are an exciting option. Part of the award-winning Le Barthélemy Hotel & Spa, the villa rental offers private, luxurious villas with all the amenities from the hotel and spa included.

The staff at the villas are highly experienced in hospitality, ensuring all the guests have an enjoyable experience. After all, [Le Barthélemy Hotel & Spa](#) ranks among the best resorts in the Caribbean, according to Condé Nast.

The Villas

[Le Barth Villas](#) are spread across the island, with many varieties on offer in terms of size, views, and location. From uphill Vitet to the sea-facing Toiny, guests have plenty of location choices.

Most villas feature three bedrooms and three bathrooms. However, more oversized villas are available with up to six bedrooms, perfect for families or groups of friends. Larger villas can accommodate up to 16 people.

For couples, there are one and two-bedroom options located in Pointe Milou and Saint-Jean.

Almost all villas offer scenic ocean views, with beautiful patios to soak in the sun and sip wine or champagne.

The Amenities

[Le Barth Villas](#) is a [Le Barthélemy Hotel & Spa](#) brand so guests can access all the hotel's amenities. You'll get a 15 percent discount at Le Spa La Mer and the [Amis](#) restaurant. The spa offers a vitality pool, gym, and sauna. You have access to lounge chairs in the hotel pool and on the beach next to it.

[Le Barthélemy Hotel & Spa](#) also manages room service to the villas so that you can enjoy delicious meals in your intimate villa. Plus, continental breakfast can also be delivered right at your villa every morning of your stay. Other benefits guests can avail of include a dedicated concierge, who can help you plan and book activities and restaurants on the island.

The Activities

Besides the many beaches, pools, and relaxing activities at the spa, you can enjoy several other activities on the island. The concierge at [Le Barth Villas](#) rentals can help you plan water activities like snorkeling, kayaking, kite surfing, or diving. Wellness activities and services are also available, such as yoga or cycling.

Recently, [Le Barthélemy Hotel & Spa](#) and [Le Barth Villas](#) have partnered with Coral Restoration St. Barth to help restore the reefs surrounding the island. As part of the collaboration, guests staying at the villas can book trips to explore and replant reefs. The proceeds from these activities will go toward preserving coral reefs.

It's a fantastic initiative by the hotel that showcases its commitment to preserving the island's nature. More importantly, it gives the guests a chance to contribute and learn about the delicate ecosystem of reefs that provide life to the oceans.

The Takeaway

[Le Barth Villas](#) from [Le Barthélemy Hotel & Spa](#) offers a beautiful resort vacation experience, combining the ultimate luxury and privacy of a villa with all the amenities of a boutique hotel. The villas, located all over the coastline, offer plenty of variety in the number of bedrooms and views.

A villa is highly recommended for extended stays on the island (at least a week). Booking with Le Barth Villa will help you discover St-Barth as you never experienced the island before and give you access to many other amenities and activities.
