✔️ Luxury beachfront hotel with impressive amenities and excellent service

❌ Room rates are expensive

The first newly built hotel on St. Barts in 20 years, Le Barthélemy Hotel & Spa started welcoming guests in 2016 and reopened fully in October 2018 after repairing damage caused by Hurricane Irma. The luxury resort is perched directly on the beach, overlooking the turquoise waters of the Caribbean Sea. Le Barthélemy's rooms and suites feature garden, lake or ocean views and are decorated in neutral hues of tan and white with pops of green and blue or pink. The property is home to a fitness center and a spa with traditional services and amenities, plus a blow-dry bar, a nail salon and yoga classes. When it comes to dining, travelers can indulge in French-Caribbean fusion cuisine and take in the views at the alfresco Aux Amis and Aux Amis Plage. Visitors also have the option of booking half- or full-board meal plans with their rooms during the summer months. Meanwhile, those looking to enjoy drinks can head to the rooftop bar (live music is available on Friday and Saturday nights). Overall, previous travelers were blown away by the hotel's understated elegance, impressive service and inviting atmosphere. Thanks to its Small Luxury Hotels of the World ties, INVITED rewards program members can cash in accrued reward night vouchers for stays here.
